01 WHERE YOUR HIGHLAND DREAMS UNFOLD

Dullstroom, nestled in the heart of the Mpumalanga Highlands, is a charming village known for its cool climate, scenic beauty, and rolling hills draped in rich August colours. Famous for its crystal-clear streams, it is a fly-fishing haven that attracts anglers from all over. Just a 2-hour drive from Johannesburg, the area is also home to a wide variety of bird species, including the elusive blue crane, making it a bird-watching paradise. With its charming shops, cozy cafés, and tranquil atmosphere, Dullstroom offers visitors a perfect blend of nature, adventure, and small-town charm, making it a sought-after retreat in South Africa.

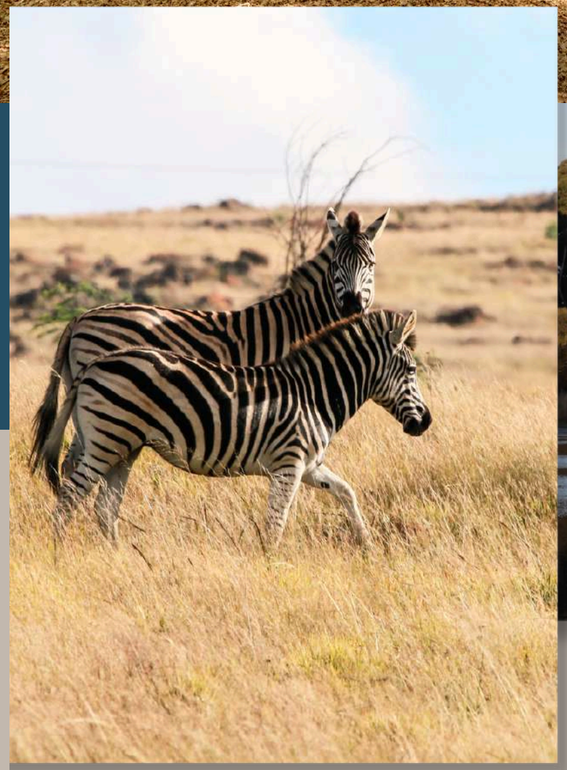

TRANQUIL BEAUTY AND RELAXATION

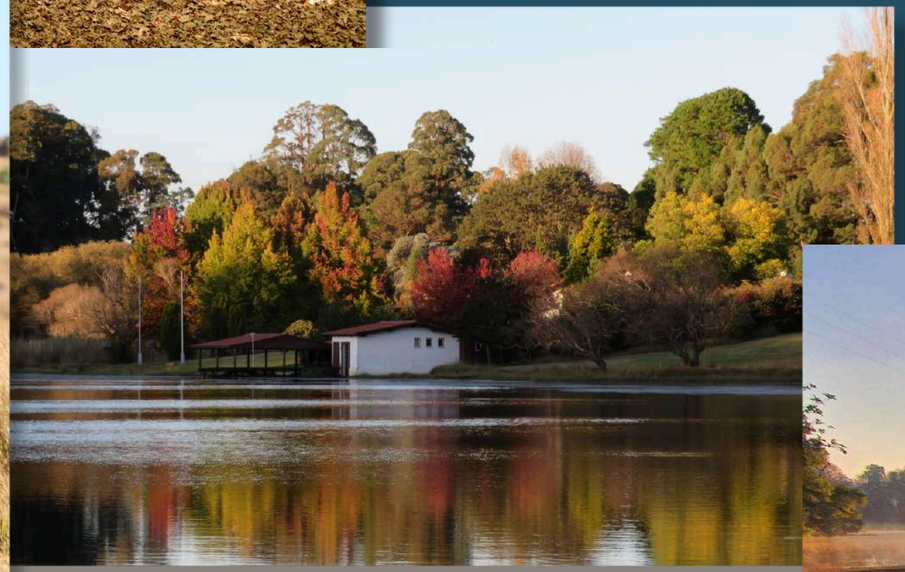

02

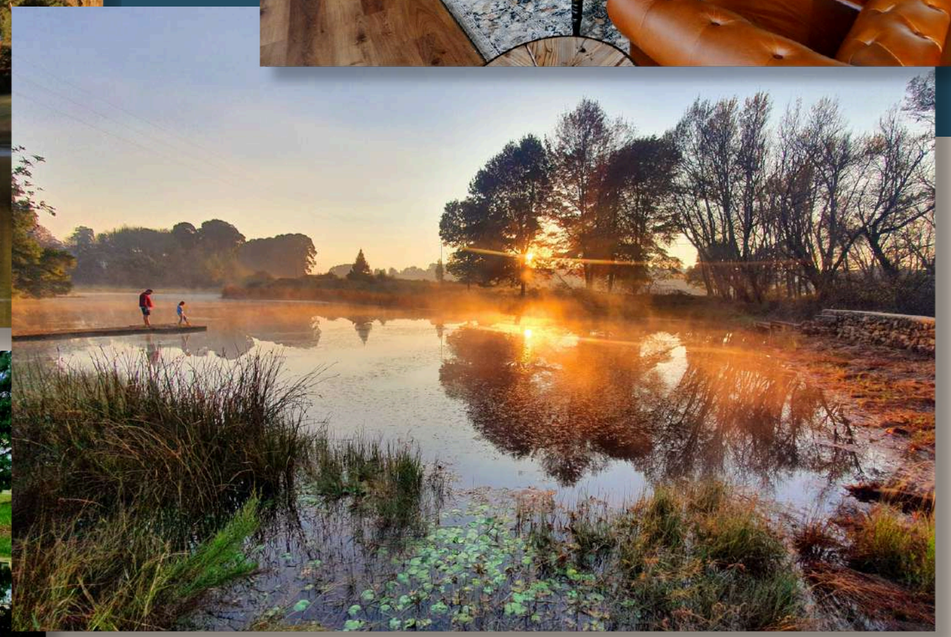

The lush forest transforms into a vibrant autumn wonderland, with leaves shifting from deep green to brilliant shades of red, orange, and gold.

DUNKELD EAST

HOTEL ROOMS

There are 10 intimate hotel rooms all providing access to our on-site amenities. Dunkeld East is the perfect setting for family holidays, romantic retreats, fishing adventures, business events, or your ideal wedding. Experience the blend of luxury and nature with us, where unforgettable memories are made.

THE FOREST

Nestled within the sprawling grounds of Dunkeld East, this enchanting forest offers a serene escape into nature's embrace. Guests can explore the gentle beauty of this woodland through guided walks, bicycle rides, or leisurely drives along shaded paths. The forest floor, carpeted with golden leaves, creates an idyllic setting for picnics, special lunches, or celebrating significant occasions amid the tranquil backdrop of towering trees and the soft chorus of local wildlife. This majestic forest not only enhances the charm of Dunkeld East but also provides a peaceful retreat where memories are waiting to be made.

FISH EAGLES

Above the tranquil waters of Dunkeld East's dam, majestic fish eagles have made their home in the towering trees that line the banks. These magnificent birds, known for their distinctive call and impressive wingspan, add a touch of wild elegance to the landscape. Guests at Dunkeld East can experience the thrill of observing these regal eagles from the comfort of their rooms, where the panoramic views of the dam provide a perfect vantage point. For a closer encounter, canoe trips are available, offering a serene glide across the water under the watchful eyes of the nesting eagles.

DINING

Discover a lakeside dining experience like no other, where every dish is crafted with care and creativity. We embrace a farm-to-table philosophy, using fresh, locally sourced ingredients that bring the true taste of the region to your plate. Each meal is a celebration of local flavours and culinary skill, designed to delight your senses. Set by the lake, our restaurant offers a dining setting that's both serene and memorable.
